2014 MINUTEMEN

OUR Roots

The saying, "The greatest gift anyone can receive are the roots of responsibility and the wings of independence," by Denis Waitley, has always stood out for me. My wish to all of us is that we all graduate and find happiness, but also remember where we came from. It is in the roots, not the branches, where a tree finds its strength.

Chris Hawes
Class of 2014, Class President

School Committee

"Like Branches On A Tree, We May Grow In Different Directions, Yet Our Roots Remain As One."

Anthony Gautier

Front Row: Dr. Rene J. Hamel, Olaf R. Garcia, Clarence A. Bachand, Robert A. Wilby / Chair, Helen I. Lenti / Secretary, Jack Haroian, and Peter M. Schur

Back Row: Kenneth R. Wheeler / Assistant Treasurer, Timothy M. Schur, Donald H. Erickson, Alfred C. Reich, James N. Caldwell, Thomas V. Mroczek, Michael D. Langevin, Donald J. Gillette Sr., Benjamin J. LaMountain, Robert L. Zukowski / Vice Chair

Special Thanks

"Thank you for all your help over the years, and thank you Mrs. Holland for helping us put together our portfolios, which I know will help us down the road."

Lindsey Baarda, Class Treasurer

"Thank you for being our advisors and thank you for everything you did for us over the past four years. You did everything you could to make sure we had a great high school experience, and know we are thankful."

Chris Hawes, Class President

"Thank you so very much for all that you do for us, the students. Thank you for always making sure the school is cleaned, the issues are tended to, and the snow is plowed. We have had a few tough winter snowfalls, and we know that when we come in to school and the snow is gone and the pathways are safe, it is because of you guys."

The Senior Class

"For the past four years you have made sure we always had lunch prepared, listened to our issues when we wait in line, and are always there for us. We wanted to say thank you for everything, and know, as a class, we are forever grateful."

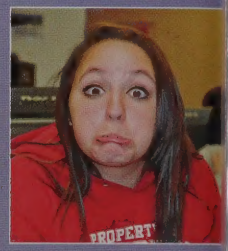
OUR Freshmen Class of 2017



As you walked through the halls during your freshmen year, we hope you enjoyed being new to the school and enjoyed becoming involved with all the school has to offer. Do not think that because you are a freshman you need to stay quiet. Your freshmen year is the year you would like to get involved with sports, or clubs and activities. As the year comes to an end, you should look back on the year and be happy with everything you did and the friends you made.

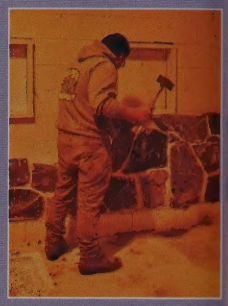
OUR Vocations & Shops



One of the most interesting and important aspects to our school are the vocations and trades within our school walls. Being a part of a Shop and learning a useful skill is something that you can carry around with you for your entire life. No matter how life goes, you will always have your trade and the skills you learned at Bay Path. In the end, you will have choices that other students do not, because you attended this school and decided to take the Shop that you are currently in.

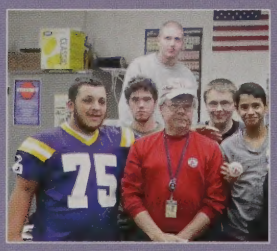
OUR Clubs & Activities



Here at Bay Path, one of the best aspects is that there are many clubs and activities to be a part of. Whether it is the math team, the yearbook committee, the robotics club, or SkillsUSA, there is always something for each and every student. If you are going to be a returning student next year and are not involved with a club or activity you should consider becoming involved with one. Maybe as you flip through this section you will see a club or activity that you would like to do.

Stop the Bullying

To bully or cyberbully is a choice that one makes, but remember that as bystanders, we can step in and put a stop to it, before it starts.

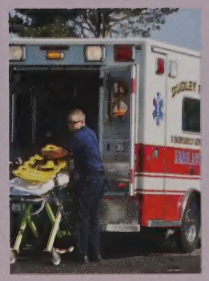
Advisor: Mrs. MacDermott-Keefe

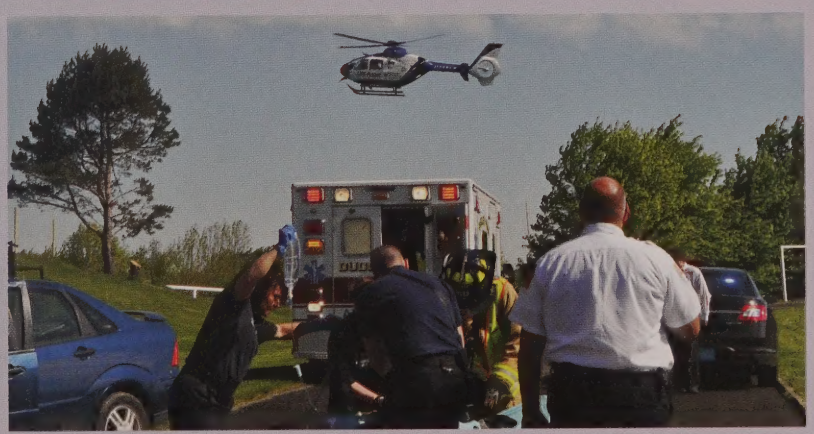
Pay Attention

Always pay attention when driving, and in life in general. Remember, some decisions last a lifetime, so make smart choices.

S.A.D.D.

S.A.D.D. was founded in 1981 as Students Against Drunk Driving. Our mission, simply stated, is to provide students with the best prevention and intervention tools possible to deal with the issues of underage drinking, other drug use, impaired driving, and other destructive decisions. Remember too, cyberbullying is still bullying. Try to always be kind, be sincere, and remember that a bystander has more power in situations than you might think.





Some pictures were from a S.A.D.D. assembly last spring. The assembly was intended to teach students the consequences to drinking and driving.

Fall State Leadership Conference was a huge success for Bay Path

Students at the SkillsUSA Fall State Leadership Conference represented Bay Path with pride. Students took home a large amount of medals and even Mrs. Slavinskis was able to bring home a silver medal.

Welcome Freshmen

Freshmen are always nervous on their first day of school and Student Council members are there to help, guide and support them.

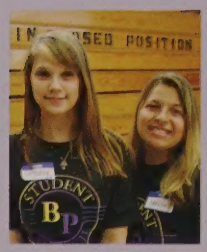
Holiday Season

Our Student Council students gather together to help decorate a tree for the holiday season.

Student Council

Whether it is the first day of school for the freshmen class, an advisory dinner for the teachers, or our annual open house and parent's night, you can always find members of the Student Council helping out and willing to serve. Even on those cold days when you crave a bowl of chili from our concession stand, a student council member is likely to serve you. These students go over and above the call of duty and should be thanked and recognized.



Advisor: Mrs. LePage

Yearbook Committee

The Bay Path yearbook committee is responsible for making your school yearbook the best it can be. Also, the yearbook committee puts so much time and energy into the process, that every member should be thanked for their hard work and efforts.

Advisor: Mr. Sanders

Renaissance

"We are, what we repeatedly do. Excellence, then, is not simply an act, but a habit," spoken by Aristotle.

The above words have never been more true at Bay Path. With everything going on at our school one teacher goes over and above making sure that every student who strives for academic excellence is recognized and rewarded. Mrs. Giles does a great job to ensure students do their very best, so do your best and make academic excellence a habit, not an act.

Advisor: Mrs. Giles

Renaissance and Honor Students at Bay Path enjoyed some apple picking last Fall as a reward for maintaining high grades. Congratulations !!!

Recognition !!!

Whether it is apple picking, a sporting event, or a special breakfast, you can be sure that our honors, and high honors, students are getting the recognition they deserve, thanks to Mrs. Giles.

The Buzz is out !!!

Mr. Mercier, a former teacher at Bay Path, came back to teach students about bee keeping, as well as the safety involved in handling bees.

Going to Districts

Students from Bay Path were motivated to go to the District Competition. The students did an amazing job, some of which even qualified to go to the State Competition.

Robotics

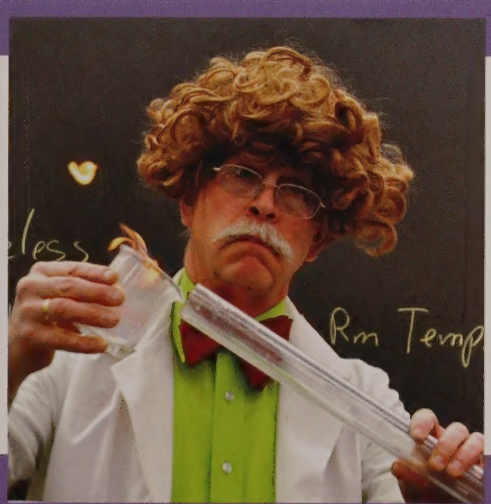
Machine Tool Technology, Drafting, Electronics, and HVAC / R, join forces to put together a team of talented students for the purposes of building a robot to compete with. Their mission is to create, design and build a robot to withstand a great deal of punishment, and dish it out as well.

Established years ago, our Robotics Team has placed in many local, state and national competitions.

BattleBots

Start Your Engines....

BattleBots is a competition that puts the best of the best robotic creations in a ring with the purpose of battling it out to see which creation is left standing in the end. The students on the Robotics team do a great job with the help of the following teachers and volunteers: Mr. Ostiguy, Machine Tool Technology; Mr. White, Drafting; Mrs. Legere, Health, and Mr. Savage, former Science teacher at Bay Path.



Chemistry is Cool !!!

There is nothing like learning chemistry at Bay Path, and Mr. Lehman took it to a whole different level with his enthusiasm and love for chemistry, as well as his interesting guest speakers.

Build That House

The House Project is by far the most rewarding vocational activity at Bay Path. The school has been building homes in our district towns for several years and it gives our students the chance to get real, on the job, training. There is no better way to gain experience than diving in and doing the work with your own two hands.

The outside and inside of the house as it was being built by students at Bay Path.

The House Project this year involves building a house on the back roads of Oxford, Massachusetts.

House Project

Mr. Koliss, the Carpentry teacher, along with his students, as well as students from Electrical, Cabinetmaking and Plumbing, collaborate to work on building a house. There is more to building a house than meets the eye, which is why we need experienced teachers to oversee the project. The students always do a great job, and enjoy this fantastic opportunity !!!

Bay Path, with the guidance of Chef Wood, tried to build an even better gingerbread house than last year, and succeeded. The group met several times, over the span of months, to build their creation. The Castle Kings represented Bay Path at the Higgings Armory Gingerbread House competition.

Happy Holidays

Our Superintendent telling Santa all he wants for the holiday season, for our school and all of our students.

Santa's Merry Elves

Even Santa Claus needs help, and the annual Santa Breakfast is no exception. Many of Santa's Merry Elves got together to lend a hand during the event, most of which were on the Student Council.

Santa Claus

Santa Claus always takes the time to make an appearance at Bay Path. With the help of the Bay Path Education Foundation and many volunteers, it was a huge hit with everyone. Parents can have their pictures taken with Santa, and the breakfast is delicious. Spread the word regarding this event and maybe we will see you next year.

All proceeds from the event go towards student scholarships and other student benefited programs.

SkillsUSA District Competition, a HUGE Success for Bay Path

Students at the SkillsUSA District competition took home a number of medals, and a lot of them are going on to the SkillsUSA State event. Out of 56 medals, 22 of them were gold, 17 of them were silver and 22 bronze.

Welcome Freshmen

Freshmen pile into Bay Path for their official 1st day of high school. That can be a fun, exciting, but also nerve wracking time for students. That is why the Student Council is ready to help.

Welcome to Bay Path freshmen !!!

Every year when the summer is over and school returns, so do a new group of freshmen. Thanksgiving Day

Raise your hands to a great game !!!

Bay Path 34 - Oxford 12

A new tradition has started here at Bay Path, and that is a new Thanksgiving Day Football rivalry. The day was brisk but the players were ready to give it their best effort that day.

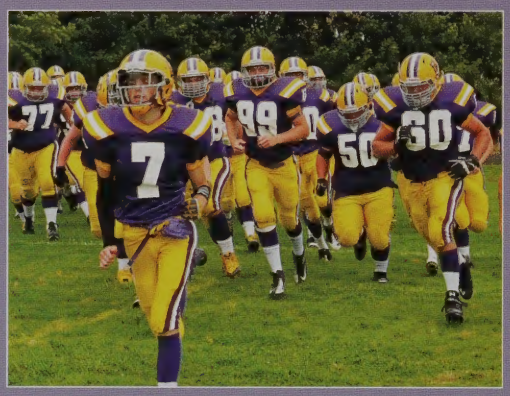
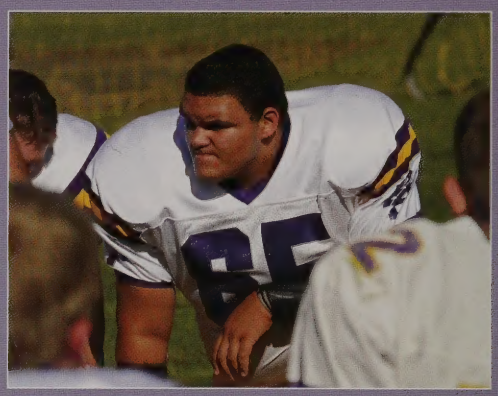
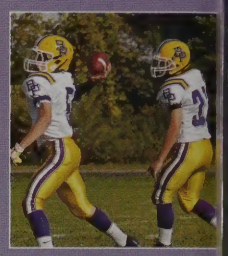
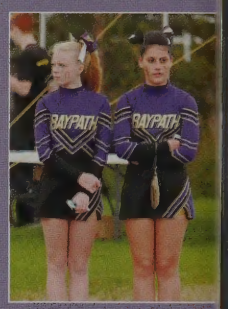
OUR Fall Sports & Athletes









When summer is over and school is back in session, you can always count on the fall sports to begin. Soccer, football and cheerleading mark the start of the year. As the leaves change and the weather gets colder, these sports pave the way. Our cheerleaders went to a competition and did a terrific job. Our soccer teams did very well, as usual. Our football teams did great, and we held our 1st ever Thanksgiving game against Oxford, titled, "The Battle for Buffums."

OUR Spring Sports & Athletes

When the snow melts and the weather begins to change for the better, which seemed to take forever this year, we know that spring sports are here. Swing the bat and round the bases because softball and baseball are back this year at Bay Path. The weather made it tough to start the season, and then the rain came pouring in, as you can see from some pictures. Spring sports are so exciting, because that means summer is right around the corner as well as vacation.
